Languages:

Python, C, C#

EDUCATION

Bachelor of Science in Software Engineering

Sindh Madressatul Islam University (SMIU)

Sep 2022 - July 2026

CGPA: 3.5

Relevant Coursework:

- Object-Oriented Programming (OOP),
- Database Systems, Software
- Development Life Cycle (SDLC)

WORK EXPERIENCE

AI-Based Journal App

Technologies: Next.js, Tailwind CSS, AI/ML APIs, Prisma, NeonDB, Clerk Auth

Developed a full-stack journal application where users can write entries. The app utilizes AI to analyze the text content and determine the user's mood, providing insightful feedback.
